Evinrude outboard engines have a serial number label that is located on the transom bracket. Serial number labels will reference the date of manufacture for the engine by providing visibility of the month and year the engine was produced. For

# Read Online 1979 Evinrude 25hp Outboard Manual

example, if an engine was manufactured in May of 2012, the serial number label will reflect 05/2012 directly below where the serial number is indicated.

An Evinrude outboard repair manual, termed Evinrude factory service manual, is a book of instructions outlining the process of routine maintenance and troubleshooting, as well as a complete description of how to fix the boat motor back to working order. It's a handbook dealership technicians and do-it-yourself mechanics use to fix their engine.
