and Chevrolet Tahoe in 2000, the Denali, Escalade, and Tahoe Limited/Z71 retained their 1990s base design. The "Denali" moniker is derived from the name for the traditional, native name of the tallest mountain in North America , and is also the name of the national park that surrounds the mountain, as well as a state park.

GMC Denali - Wikipedia

I have a 2000 GMC Yukon Denali with the 5.7l V-8 engine. Am having trouble with the door locks and key fob. First problem I had was with the 2 front door locks. Key fob worked at this time. Had to replace both front door lock actuators. After I replaced these, the key fob would not work at all even though it
