Ninja 250 Manual Curt,  
Haynes actually does  
make a Ninja 250  
manual now. It is  
lumped into a manual  
that covers several  
other models but is a  
good savings over the  
OEM books. The  
Haynes Ninja 250  
repair manual was just  
recently released and  
is a good option for the  
shadetree mechanic.
