The 2022 National Youth Science Camp (NYSCamp) is a virtual science education program again this year for young STEM enthusiasts the summer after they graduate from high school. Students from around the country (two seniors are selected each year to represent New York State and two representatives from other states and Washington, D.C. are also selected) are challenged academically in exciting ...

Awards and Scholarships - New York State Education Department

Chess boxing, or chessboxing is a hybrid sport that combines two traditional disciplines: chess and boxing. Two combatants play alternating rounds of blitz chess and boxing until one wins by checkmate or knockout. It is also possible to win by time penalty as in normal chess, and by boxing decision if there is a draw in the chess round.
