The American Dream is a national ethos of the United States, the set of ideals (democracy, rights, liberty, opportunity and equality) in which freedom includes the opportunity for prosperity and success, as well as an upward social mobility for the family and children, achieved through hard work in a society with few barriers. In the definition of the American Dream by James Truslow Adams in ...

American Dream - Wikipedia

This is what I mean when I say the American Dream is a lie. Is the American Dream Myth or Reality? Yes, I said it. The American Dream is a lie! It doesn't exist, my friends. Now, here's what we're talking about. We're talking about finances today and we want to talk about money. We want to talk about this incredible dream that you want ...
