Horizontal mergers are scrutinized in the US because the combination of competitors can create a monopoly and raise prices for the consumer. Horizontal Merger vs. Vertical Merger. Though one is often confused with the other, there is a distinct difference between the two types of mergers. Horizontal merger: When companies that sell similar products merge together. Vertical merger: Occurs ...

Horizontal Merger - Understanding How Horizontal Mergers Work

The term Mergers and Acquisitions ("M&A") generally refers to the consolidation of companies or assets through different types of transactions. Over recent years, the M&A scene in Malaysia has significantly slowed down as the number of completed mergers and acquisitions in Malaysia involving listed companies dropped from 338 in 2013 to only 78 transactions in 2017 1. Despite this slowdown, 55% ...
