programs around fair housing. As a result, we asked some of our nation's leading scholars to opine on the Cityscape articles, and to offer their thoughts on this topic. This report is a compilation of response papers to the Cityscape special issue, and serves as a way to continue the debate about

### RACE AND POLICY: YEARS AFTER THE FAIR HOUSING ACT COMMENTARY

As of last year, more people have been forced by violence and conflict to flee their homes than live in the U.K. or France. Why it matters: That's upwards of 60 million people — a global nation of refugees. If all of these asylum-seekers, internally displaced people and refugees were a country, they'd be the 21st most populous nation in the world, according to UNHCR estimates.
