The search is for – common or diverging
– solutions to legal problems arising in
all legal systems (including EU law and
various proposals for further
harmonisation, and taking into account
reforms within national systems, notably
the reform of the German law of
obligations in 2002 and the reform of the
French law of contract in 2016). These
are looked at both from a technical point
of ...

Mobile gaming, in particular, is taking over, accounting for 91% of the market. Plus, more women are entering the market than ever before, a trend that doesn't show any signs of slowing down. Within this category, you can also niche down based on popular genres (like first-person shooters) or consoles (like the Nintendo Switch).
