Read over chapter headings and subheadings. Before you begin reading or taking notes, preview the chapter. Most textbooks are broken into more easily-digestible sections that are often topped with headings. Previewing the chapter and looking at the headings and subheadings from beginning to end can give you a sense of the length and trajectory ...

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.
