Ancient Coin Books and Publications (Ancient Coins of Miletos)

The earliest coinage of Asia is also the oldest coinage of the world. Coins were invented several times independently of each other. The earliest coins from the Mediterranean region are from the kingdom of Lydia, and are now dated ca. 600 BCE. The dating of the earliest coins of China and India is difficult and the subject of debate. Nevertheless, the first coins of China are at least as old as the earliest Lydian coins and possibly older, while the earliest coins of India seems ...
