To capture Canadian health care's growing crisis, I called my book Code Blue, the term used when a

patient's heart stops and hospital staff must leap into action to save him. Though I had a hard time finding a Canadian publisher, the book eventually came out in 1999 from a small imprint; it struck a nerve, going through five printings.

### **The Ugly Truth About Canadian Health Care - City Journal**

This paper examines legal rules covering protection of corporate shareholders and creditors, the origin of these rules, and the quality of their enforcement in 49 countries. The results show that common-law countries generally have the strongest, and frenchcivillaw countries the weakest, legal protections of investors, with German-and scandinavin-civil-law countries located in the ...

Studies published might be theoretical pieces, qualitative and quantitative empirical work, and/or case studies. Given that the objective of the Journal is to push the boundaries of current entrepreneurial and small business management thoughts, case studies to be published in JSBE must have a theoretical perspective. The onus of proving the theoretical contribution of the case lies on the ...
