Though a primary election will be held in May, a potential referendum would fall short of that requisite 90 days. According to the Greene County Board of Elections website, the soonest Yellow Springs could vote on a referendum would be a special election scheduled for August. "[We would be] looking at an August election that would be paid for by the Village," Salmerón said; at Council's ...

Appendicitis is defined as an inflammation of the inner lining of the vermiform appendix that spreads to its other parts. This condition is a common and urgent surgical illness with protean manifestations, generous overlap with other clinical syndromes, and significant morbidity, which increases with diagnostic delay (see Clinical Presentation).
