Cases. More than 50 case studies match ethics concepts to real world situations. From journalism to performing arts to foreign policy to scientific research to social work, these cases explore a range of current and historic ethical dilemmas, their motivating biases, and their consequences. Each case includes discussion questions, related videos, and a bibliography for further reading.

Cases - Ethics Unwrapped

Case Studies. Social Work ethics is an essential component of social work practice. Often we are confronted with situations where we wonder what we should do. We should discuss such situations with our colleagues and seniors or bring them for discussion at clinical supervision sessions. If our agencies have case discussions, common ethical scenarios can be one of the possible discussion topics.
