History. Henrik Syse states that global ethics and international justice in western tradition is part of the tradition of natural law. It has been organised and taught within Western culture since Latin times of Middle Stoa and Cicero, and the early Christian philosophers Ambrose and Augustine.

Global justice - Wikipedia

Boston College law prof Frank Garcia has a new book called "Global Justice and International Economic Law." There's a lot going on in the book, and I can't do a full review here, but I wanted to mention one point he makes: Trade agreements should be based on consent.. In this regard, he talks about how a consent approach relates to the substance of trade agreements, that is, what trade rules ...

Garcia: Global Justice and International Economic Law

In international justice the nation or state is taken as the central entity of concern and justice among nations or states is the focus. In the domain of global justice, by contrast, theorists do not seek primarily to define justice between states or nations.
