### Grove Book of Operas - Oxford Reference

The New Grove Book of Operas is the best single-volume opera reference available in English. The term "reference" deserves careful emphasis. The New Grove Book does not read like a textbook, and is best suited for individuals seeking details about specific operas rather than opera in general. It is to some extent the "Reader's Digest" version of the massive New Grove Dictionary of Opera, which is acknowledged as the end-all, be-all tome of operatic scholarship.

### The New Grove Book of Operas: Sadie, Stanley ...

This book combines meticulous scholarship with a lightness of touch that will delight the opera-goer. The fascinating illustrations bring an amusing dimension showing how opera has been staged from its beginnings to modern 'deconstructed' productions. The operas are listed in alphabetical order.
