PCI Race Radios has been a distributor for Kenwood for decades. We sold the Kenwood TK-790H Radio for many years and have seen some confusion in the market as safety departments have been unloading old TK-730 radios on Ebay as they upgrade. While they can both offer 110 watts of power, the problem with the TK-730 is lack of available accessories and support for them. While you may see some TK ...

Besides taking excellent video, my favorite feature is the included Kenwood Video player. The Windows 10 application is not just a video player -- it includes location, GPS coordinates, current speed, average speed and actively tracks your whole route on the map! It is a great way to document your commute or collect evidence in case of accident or police stop. The unit was easy to install and ...
