Answers. Tamar20 said: To be honest. No word in itself is bad... it's just the associations we make with it. You can have a word that sounds the same in different languages and has a different meaning in each language. So it's not the word that's intrinsically bad, it's what we make it mean. But, If you have to type it with hyphens and asterisks, the answer should be obvious. The "N" word, I ...
