Macgillivray On Insurance Law Relating

In order to compensate for those particular losses, a comparison of various damage awards relating to the different injuries will be required. It is not a simple addition of multiple awards. In determining how much compensation ought to be awarded in a personal injury claim, the court relies on past case law as precedent to ensure that similar injuries are compensated similarly. There is a ...

General Damages Guide - MacGillivray Injury and Insurance Law

"Where the assured is so situated that the happening of the event on which the insurance money is to become payable would, as a proximate cause, involve the assured in the loss or diminution of any right recognized by law or in any legal liability, there is an insurable interest in the happening of that event to the extent of the possible loss or liability". (Macgillivray on Insurance law).

Insurable Interest: Definition Types, Example (Explained)

MacGillivray on Insurance Law (9th Ed., Sweet and Maxwell London, 1997 at p. 280) deals with the rule of Contra Proferentem as under : "The contra proferentem Rule of construction arises only where there is a wording employed by those drafting the Clause which leaves the court unable to decide by ordinary principles of interpretation which of two meanings is the right one.
