A habit (or wont as a humorous and formal term) is a routine of behavior that is repeated regularly and tends to occur subconsciously. The American Journal of Psychology (1903) defined a "habit, from the standpoint of psychology, [as] a more or less fixed way of thinking, willing, or feeling acquired through previous repetition of a mental experience." Habitual behavior often goes unnoticed in ...

Providing aid and food for ghouls in need, managing the feeding grounds of the ghouls in the 20th Ward, and collecting food for ghouls by searching for the bodies of humans who committed suicide. It becomes Kaneki's home until the place is raided by the CCG in the end of the original series. Almost all of its original staff become core members of Kaneki's Ghoul coalition "Black Goat", after he ...

Recent Extinction: As highlighted in a
recent speech by Sir David
Attenborough, we are in the midst of the
sixth mass extinction of life on Earth -
and it's one that's been caused by
humans. This, along with other human-
caused changes to the environment, has
led to the coining of what term to
describe the new epoch of geologic time
