Army NCOER Intellect Bullets Performance Measures

12A: Engineer Officer. Really short: if you want to be an actual real-life "I do math for a living" engineer, get a civilian job with USACE because Army engineers do not do that. On the other hand, not too many civilian engineers get to blow the living shit out of something. If you're lucky, your PSG might let you pull his fuze igniter. Inuendo ...

I have 2 more years of university left and I am currently studying for the CFA exam. If my grades continue to be good, I plan on going to do applying for a masters degree at Imperial College or LSE. The problem is, although I am in a good place now, I had problems finishing university before due to numerous factors. I wonder if I would be too old by the time I get my masters or my problems ...
