The purpose of this question is not necessarily to test the substance of the answer but more the fact that the candidate has an answer. This is indicative of the fact that they are informed and see the larger picture. So much of what a lawyer does relies on having strong background knowledge of the law. A strong applicant will have legal principles on the tip of their tongue. What to look for ...

Assignment Essays - Best Custom Writing Services

Two things are very clear: (1) the JVP is a very useful clinical marker in many situations, and (2) the exact height of the JVP is a poor guide to central venous pressure. Taken together, this suggests that noting whether the JVP is "up" or "down" is good practice in every cardiac patient. In particular, it can be very useful in diagnosing ...
