It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Rainbow God The Seven Colors

There are seven colors in a rainbow. Just as God is one, but his nature is multi-faceted, light is one but we can see different facets of it in a rainbow. We also know that a rainbow is symbolic of God's promise. We take each of God's redemptive names as promises.
