### Research Interests And Personal Profile

Research interests and personal profile My research interests revolve around two aspects of the study of markets and consumer capitalism. Firstly, I am fascinated by the historical development of marketing, in particular of branding, advertising research, and of market/consumer research services.

### Research interests and personal profile - CBS

On the other hand, the SOP is the way for the committee to see that you possess depth of interest and comprehension in your field, and that you understand what goes into research. If you talk about ideas that are too vague or nebulous, or that aren't addressable by your discipline, then you risk sounding naïve.

### How to Write About Your Research Interests | Accepted

Research interests and personal profile . I devote most of my research to the question of how, since the late eighteenth century, markets ended up becoming such pervasive sociotechnological-economic - arrangements. In my search for answers, I am looking at the development of

## **Personal Profile & Research Interests | mysite**

The large majority of job ads do not require applicants to list personal interests on a resume, so don't feel like you have to. But if you do, check what the targeted employer is sharing on social media—and on their company website about employee events—to learn which of your personal interests would be most relevant internally, and focus on those personal interests in your resume.
