Thanks to your website I was able to download a manual, and finally see the factory recommendations. As I said, I recently replaced the scraper bar, drive belt and idler pulley and changed the gear case oil again. Let me know if you need any further information. Regards, Bill thanks Bill! 1969 Here is a second 1969 Ariens with a replaced engine. This engine conversion was done by Dave B. of ...

The EJ20G engine had an air bypass valve to prevent the suction noise that can otherwise occur when the throttle valve is suddenly closed and causes a sudden rise in air pressure between the turbocharger and the throttle body. The air bypass valve was actuated by the vacuum created by the closure of the throttle valve and allowed the suction air to bypass the turbocharger and flow upstream ...
