The Art of The Boxtrols eBook by Philip Brotherton ...

The difference with The Boxtrols was that it was more about pure character animation and less about how to achieve a look. With ParaNorman we spent a lot of time composing these perfect still frames that we then animated. The Boxtrols was more about movement and energy and the expressive quality of the line.

The Boxtrols (2014) — Art of the Title

The Art of The Boxtrols is the art book that documents the making of the film. It is like most other art books put out today: filled with art, history, and lots of behind-the-scenes information...

[ART BOOK REVIEW] The Art of The Boxtrols | Rotoscopers

The look of the Boxtrol's landscape is in part influenced by German Expressionist art. The concept artists working on Boxtrols were encouraged to distort and twist the architecture of the buildings, which when coupled with the play of light and shadows gives an interesting "destabilizing quality to the film".
