As someone begins vocalizing mean things, the individuals who hear these comments don't always know what to make of what they are listening to. Children, in particular, are easily affected by what their parents say, and when kids have to deal with one parent badmouthing the other, they usually won't be entirely sure how to handle it right away.

To canonize Mother Teresa would be to seal the lid on her problematic legacy, which includes forced conversion, questionable relations with dictators, gross mismanagement, and actually, pretty bad medical care. Worst of all, she was the quintessential white person expending her charity on the third world -- the entire reason for her public image, and the source of immeasurable scarring to the ...

This reflects the aspects that tortured more than 30 years. I am still suffering from the aftermath of bad parenting. My mother still tells me to do something that she wants and the way she wants, which are usually based on her judgmental guess which is far from fact. Also, I get feedback from colleagues that I have low self-esteem.
