The Healer Omalley Series Book

The Healer was a little different from the other O'Malley series. It dealt partly with the possibility of one of the O'Malley sisters dying of cancer. Rachel is really torn up about this and it makes you want to cry. This book definitely showed more of Henderson's tender side in writing.

I have really enjoyed reading the O'Malley series. The stories mix light romance, intrigue and moral dilemma. I lent the first one in the series to several friends and family without being certain if they would enjoy them. All of them asked to borrow the rest of the series. The books follow on from one another but each has a self contained story.
