Varney's Midwifery - Helen Varney, Helen Varney Burst, Jan ...

Varney's is very much a traditional textbook. The plus side of this is that many vocabulary words are defined herein. It's a more western-medicine approach to midwifery, even while maintaining a devotion to midwifery care (which, I would argue, is not a western approach to care.) One star off because it's definitely dry textbook reading, even while covering a very wide range of fascinating ...
