It's easy to search
Wikibooks by topic,
and there are separate
sections for recipes
and childrens'
texbooks. You can
download any page as
a PDF using a link
provided in the left-
hand menu, but
unfortunately there's
no support for other

formats. There's also
Collection Creator - a
handy tool that lets
you collate several
pages, organize them,
and export them
together (again, in PDF
format). It's a nice
feature that enables
you to customize your
reading material, but
it's a bit of a hassle,
and is really designed
for readers who want
printouts. The easiest
way to read Wikibooks
is simply to open them
