LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Wall Street Lingo Thousands Of

r/wallstreetbets, also known as WallStreetBets or WSB, is a subreddit where participants discuss stock and option trading. It has become notable for its colorful and profane jargon, aggressive trading strategies, harassment and for playing a major role in the GameStop short squeeze that caused losses for some US firms and short sellers in a few days in early 2021.

Stock trading terms are the lingo used by day traders. Before you study any of my YouTube videos, blog posts, or watchlists — learn these stock market terms. You must know the basics before you can move on to patterns, strategies, and executing trades. (I'll tell you what that means later.)

38 Must Know Stock Trading Terms for Beginners - Timothy Sykes

Preferred Stock: Preferred stock is a class of ownership that allows shareholders of a company to get a larger dividend, and that dividend is often guaranteed. Holders of such stock do not have voting rights, but they can receive special status if a company heads into insolvency. If a company is being liquidated and creditors need to be paid, preferred stock shareholders must be paid before ...
